

Construction Manager (Part-time or Full-time)

Organization Description

Legacies of Success is a Christian community development corporation created to help revitalize and stabilize the North Hill community by providing affordable housing and promoting homeownership.

Requirements

- Committed follower of Jesus Christ
- Skilled in multiple construction trades (i.e. drywall, plumbing, electrical, carpentry)

Ideal Candidate will have the following:

- 5+ years of professional construction experience
- Strong network of contractors/skilled professionals
- Strong character and skill references

Major Responsibilities

Our construction manager will be responsible for managing the renovation process at our properties currently under construction and performing necessary repairs on current properties.

These responsibilities will include the following:

- Developing renovation plans for homes under construction
- Completing skilled construction projects
- Overseeing part-time employees on construction projects
