

Summertime Safety and Security - Summer 2018

Goal

Assist current homeowners of the North Hill community to increase the safety and security of their home.

How will the program operate?

1. Home Safety Inspection

- o All Homeowners who apply will undergo a **FREE** home safety inspection from Legacies of Success to determine their safety and security needs.

2. Discounted Safety and Security Devices

- o Once safety/security needs are determined, homeowners will be able to purchase items from Legacies of Success at the discounted rates listed below.

3. Free Installation and Education

- o Legacies of Success and its volunteers will install new safety and security measures for homeowners.

What will be included in this program?

Tier 1*

Safety/Security Item	Avg. Retail Price	Discounted Price
Smoke Detectors (one per floor required)	\$20	Free
Fire Extinguisher	\$20	\$4

*All Tier 1 Items must be completed before any Tier 2 Item can be purchased through program
